

A scenic view of a Cotswold village street. The street is paved and lined with traditional stone houses featuring steeply pitched roofs and multiple chimneys. In the foreground, a stone bridge with several arches spans across a river. The sky is blue with some clouds. A large, dark green circular graphic with a gold border is overlaid on the upper part of the image, containing the text 'HIDDEN COTSWOLD TOURS' in gold, serif capital letters, with a decorative flourish above it.

Hidden Cotswold Tours

Personal guided tours around the Cotswolds

I am Peter Edwards-Moss. Let me take you and up to five others in your family or group on an unforgettable journey through the beautiful Cotswold Countryside.

I will collect you from wherever you are within the Cotswolds. If we haven't done so already, we will chat about the day ahead and discuss what you would like to see and do.

We will visit the classic historic towns, villages and gardens, doing everything at your pace. There will be time for sightseeing, shopping, eating & drinking and, of course, many photo opportunities.

At the end of the day I can take you back to where we started, to a train station or on to your next overnight accommodation.
